General Sleep Issues. If you have a general question on encouraging independent sleep, or your question doesn't fit into the other Sleep boards, here's the board to post it on. [How to Apply the Baby Whisperer's Sleep Method - wikiHow](#)

The Baby Whisperer Sleep Method involves a strict day and nighttime routine for babies so that their bodies naturally adjust to bedtime at the right time. It also involves learning the baby's cues and how to communicate with the baby, so that the parent knows when the baby is tired. The method must be adapted depending on the age of the baby. No sleep method at all should be used in the first
