Blind Your Ponies by Stanley Gordon West - Goodreads

Blind Your Ponies is a remarkable book, a wonderful feat of storytelling which is becoming a lost art today it seems. Never would I have believed four days ago, even years ago, that I would love, much less read, a book about a small town basketball team.

Blind Your Ponies: A Novel: Stanley Gordon West ...

Blind Your Ponies is the fourth book I have read by West and it is now my favorite. Blind Your Ponies is about so much more than basketball. It's about overcoming adversity, false perceptions and personal fear. It's about courage. West peoples his books with wonderful characters. He totally engages his reader with wit and humor in some of the most challenging situations. By the end of the book

Reviews: Blind Your Ponies by Stanley Gordon West ...

Blind Your Ponies is a book about coming out of the ashes of loss, anger, fear and depression. The name is taken from an old Indian legend. A group of Indian men went out to hunt but when they arrived back at their camp they found it ravaged by small pox. The men couldn't stand the loss of their women and children so they put blinders on their ponies and rode them off of an 80 ft cliff.

Blind Your Ponies is such a book. Even at the book's end, the title leaves me struggling to accept what I think the author means by it. I felt several meanings in "blind your ponies," all of them powerful.
