0a: Strategic definition (business justification ...

0a: Strategic definition (business justification) ' Business justification ' is the first part of the ' Strategic definition ' stage (or ' Strategy ' in PAS 1192:2). It involves making crucial decisions about whether and how to proceed with the proposed project.

Business Area vs Fixed Assets - Tech Community

"The fixed asset needs to be moved from one business area to another. For 4.6C this method is still valid? The asset is to be assigned to a different business area. In this case, you have to create a new asset (with the new business area), and then transfer the old asset to the new asset. During this transfer, the business areas of the old/new
