## What makes a good investment strategy? | BT

Overall, a good investment strategy is one that aligns to the future goals of the members and what they are trying to achieve, and ensures this is done with appropriate consideration of the risks in achieving these goals.

## Is silver a good investment in 2018? - Quora

Personally I think gold or silver is a good investment at any point. It is always a good idea to hedge your portfolio. As far as 2018 goes, it kind of depends where you think the stock market will go. Historically, in times of distress, like a bear market, precious metals do well. That said, if you think the market will take a dive in the next year or so, then yes, 2018 is a great time to buy.

## The 11 Best Short Term Investments For Your Money Today

The typical short-term investment is expected to grow for several months to a few years, and can be turned into cash or other short term investments once they reach maturity.
