Head First Design Patterns is a high-level book written to be accessible. You will be floored by just how fast you can read this book, and just how fast you can learn what it teaches. You will be floored by just how fast you can read this book, and just how fast you can learn what it teaches.

[Head First Design Patterns by Eric Freeman - Goodreads](#)

Head First Design Patterns is a great way to get a good overview (and some meat) about design patterns. This will interest programmers and computer scientists the most, but as you learn near the end of the book, design pattern were first created by an architect! So if you're interested in solving problems or how to break apart a problem into pieces that are more easily solved, this book may
