Internet Marketing 101 for Small Businesses

In general, internet marketing includes any promotional strategies and tactics a business executes online to reach its target market. Today, most consumers search online for information before buying products or using services, so all businesses should have an online presence as part of their marketing mix.

Sample Marketing Plan. The following is an excerpt from my own one-year, month-by-month marketing plan many years ago for ratcheting up my results from my web site.

Internet Marketing Definition and Online Strategies

Internet Marketing (also known as emarketing, web marketing, or digital marketing) is an all-inclusive term for marketing products and/or services online and like many all-inclusive terms, internet marketing means different things to different people.
