How much does it Cost to Lease a Used Tractor?

The differences aren't huge - as an example, a 5-year lease on a \$25,000 tractor for someone with excellent credit might run \$574 monthly, while that same person could do a 5-year lease on a \$75,000 tractor for \$1,629 - dividing that \$1,629 by three gives a number of \$543 - so the financing rates are lower by about \$31 monthly per \$25,000 of financing provided in this example.
