[Why you need a Business Plan - Canada Business Network](#)

A business plan is a valuable tool for a business owner, whether you are at the start-up stage, have been in business for years, or are ready to grow. Think of your business plan as a sales document. It must convince readers that your venture has the potential to be successful.

[Do I Need a Business Plan? | Bplans](#)

A formal business plan document for loans or investment should prove that your business will generate enough revenue to cover your expenses and will need to include key business plan sections, but a business plan may vary depending on your audience.

Before digging into the best way to craft a business plan to help you crush it, and spending hours or numerous dollars on commissioning one, do you even need one?

[Writing your business plan \(Canada Business Network\)](#)

As part of any business plan, you will need to provide financial projections for your business. Your forecasts should run for the next 3 to 5 years. However, the first 12 months' forecasts should have the most detail, including assumptions both in terms of costs and revenues, so investors can clearly see the thinking behind your numbers.
