Lawn Care Tips - Alberta

A healthy lawn contributes to your property value and the overall appearance of your neighborhood. It provides a natural, safe surface where your family can play and relax. By following a few simple tips, you can keep your lawn healthy and environmentally beneficial. Mow high, preferably 2.5 to 3.

NATURALIZING YOUR LOCAL PARK OR BACKYARD

Naturalizing your local park or backyard can provide a multitude of benefits to you, your community and the environment. Natural landscapes eliminate the need for chemical weed and insect control that might damage your health and the environment. And, over the years, they require less work than lawns, giving you more time to enjoy nature in your own backyard. This Extension Note provides
