Being your own boss In previous positions, you most likely answered to someone else. Now you're the boss, with responsibility for handling everything related to the business. This means making a total commitment, sometimes at the expense of your personal life (family and friends).

[The Realities of Running Your Own Business: Do you have ...](#)

To run your own business you have to have a great product or service, be able to explain to society why they should value it, and set a price that will make people buy from you. If that sounds simple, it is. Where people simply mess up is by concentrating on one of those three areas to the exclusion of the other two. Maybe you're great at marketing but you have a product or service that
