Vista for dummies. 11-23-2008, 03:32 PM. I keep hearing how Windows Vista is not worth looking at. But for me it is great. I use the computer for woodworking stuff and to come on this site. I have a brain injury that really screws up my learning ability. Reading and remembering instructions on the computer is a lost cause. How this thingy works is beyond me. But my point is with vista I can
