[How to Choose a Franchise Business: 13 Steps \(with Pictures\)](#)

Investing in a franchise business is an expensive endeavor. Before you commit, be sure that you know how much money you can afford to invest. Measure that against the relative cost of the franchise. Before you commit, be sure that you know how much money you can afford to invest. [Franchising | practical business knowledge](#)

Franchising is a legal agreement that allows one business to be operated using the name and business procedures of another (1). The value of a franchise is determined by two factors. The first is the rights granted to the franchisee, and the second is the cash flow potential. Each factor is different depending on the
