[The World Economic Crisis - Global Policy Forum](#)
An economic and financial crisis has engulfed the world. Banks have collapsed, stock prices have slumped and there has been an unprecedented decline in economic activity.

The crisis began in 2007, in the wake of financial and real estate speculation in the United States, but it came after a long period of international financial instability, trade imbalances and several local or regional crises. By late 2008, the crisis had spread to many countries.

Governments responded with massive
